**CARE ASSIGNS A 'CARE BB+' & 'PR4+' RATING TO THE BANK FACILITIES OF JINDAL COTEX LTD.****Ratings Assigned**

Facilities	Amount (Rs. crore)	Ratings <sup>1</sup>	Remarks
Long-term Bank Facilities	108.7	<b>'CARE BB+' (Double B Plus)</b>	Assigned
Short-term Bank Facilities	18.0	<b>PR4+ (PR Four Plus)</b>	Assigned
<b>Total Facilities</b>	<b>126.7</b>		

**Rating Rationale**

The ratings are constrained by elevated financial risk due to large debt-funded diversification projects undertaken in JCL and its two wholly-owned subsidiaries; wherein JCL has exposure as equity and guarantee for debt. The ratings of JCL also take into consideration the working capital intensive operations, price volatility in raw material and highly competitive nature of the industry. However, the constraints are partially offset by experienced promoters & management, established relationship with dealers and achievement of financial closure for the diversification projects of JCL as well as its subsidiaries.

Going forward, the ability of JCL to successfully execute the expansion project within the estimated cost and time would be the key rating sensitivity.

**Company Profile**

Incorporated in 1998, JCL is promoted by Mr. Sandeep Jindal, Mr. Yash Paul Jindal, Mr. Rajinder Jindal and Mr. Ramesh Jindal. It is engaged in manufacturing of synthetic yarns viz. acrylic yarn (AY), blended yarn (BY), polyester yarn (PY) & cotton yarn (CY) and also trading of knitted cloth and acrylic tops. JCL has manufacturing facilities at Ludhiana (Punjab) with installed capacity of 23,472 spindles for AY and PY and 25,200 spindles for CY. JCL also has a wind mill power plant of 1.25MW in Jaisalmer (Rajasthan).

<sup>1</sup>Complete definition of the ratings assigned are available at [www.careratings.com](http://www.careratings.com) and in other CARE publications

During FY08, JCL commenced three diversification projects viz. Cotton yarn (by JCL), medical textile products (by wholly-owned subsidiary Jindal Medicot Limited) and specialty textile product (by wholly-owned subsidiary Jindal Specialty Textiles Limited), manufacturing facilities. The total cost of all the three projects is estimated to be Rs.333.6 cr to be financed at debt-equity mix of 1.95:1, funded through debt of Rs.220.5 cr (financial closure achieved) and equity of Rs.113.1 cr. The equity of Rs.94.5 cr has been raised through initial public offer (IPO) in September 2009 and remaining equity funding would be from internal accruals of JCL. JCL registered a total operating income of Rs.146 cr and PAT of Rs.7 cr for FY10.
